Assessment Requirements for DEFDPL029 Provide support in criminal law matters

Release: 1

Assessment Requirements for DEFDPL029 Provide support in criminal law matters

Modification History

Release 1. This is the first release of this unit of competency in the DEF Defence Training Package.

Performance Evidence

Evidence required to demonstrate competence in this unit must be relevant to and satisfy all the requirements of the elements and performance criteria on at least one occasion and include:

- analysing requests and documents for completeness and timeliness of information to determine status and reliability
- assisting instructing legal officer to plan and prepare for support in criminal law matters
- communicating effectively and logically on legal matters with instructing legal officer and stakeholders regarding the matter
- filing and maintaining records for criminal law matters in accordance with Defence policy
- preparing and processing documents and briefs involved in criminal law matters under instruction of legal officer
- undertaking matter administration, including records management, in accordance with Defence policy
- undertaking research to support instructing legal officer and preparing summaries of research in accordance with identified processes.

Knowledge Evidence

Evidence required to demonstrate competence in this unit must be relevant to and satisfy all the requirements of the elements and performance criteria and include knowledge of:

- access to case law, precedence, Legal Technical Guidance resources
- Defence and other relevant legislation
- documents and forms supporting criminal law matters and service discipline proceedings
- practices of military justice entities
- records management in accordance with Defence policy
- relationship between and hierarchy of levels of service trials, and civilian law courts
- relevant administrative practices and procedures mandated by Defence
- relevant legal terminology and its use in accordance with organisational procedures
- trials and service discipline proceedings and relevant manuals.

Assessment Conditions

Assessors must hold credentials specified within the Standards for Registered Training Organisations current at the time of assessment.

Assessment must satisfy the Principles of Assessment and Rules of Evidence and all regulatory requirements included within the Standards for Registered Training Organisations current at the time of assessment.

Assessment must occur in workplace operational situations where it is appropriate to do so; where this is not appropriate, assessment must occur in simulated workplace operational situations that replicate workplace conditions.

Assessment processes and techniques must be appropriate to the language, literacy and numeracy requirements of the work being performed and the needs of the candidate.

Resources for assessment must include access to:

- a range of relevant exercises, case studies and/or simulations
- applicable documentation, including legislation, regulations, codes of practice, workplace procedures and operation manuals
- relevant and appropriate materials, tools, equipment and personal protective equipment (PPE) currently used in industry.
