DEFEXO062 Operate a small quantity explosives facility

Release: 2

DEFEXO062 Operate a small quantity explosives facility

Modification History

Release 2. Modifications made to Foundation Skills and Assessment Conditions.

Release 1. This unit was released in DEF Defence Training Package release 1.0 and meets the Standards for Training Packages.

This unit supersedes and is equivalent to DEFEO216A Operate a small quantity explosives facility.

- Unit code updated
- Content and formatting updated to comply with the new standards
- All PC transitioned from passive to active voice
- Unit title changed to better reflect unit outcomes
- PC 1.2, 2.2 and 2.4 removed
- PC 1.3, 2.3 and 2.6 reworded
- Element 2 one new PC

Application

No licensing, legislative or certification requirements apply to this unit at the time of publication.

This unit describes the skills required to operate a storage facility licensed to contain a small quantity of explosive ordnance. This includes conforming to the facility licence, calculating net explosive quantity, applying compatibility constraints, ensuring package sealing requirements are applied and maintaining a range of documentation.

This unit applies to those required to operate a small quantity explosives facility.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies and procedures must be consulted and adhered to.

Those undertaking this unit would work independently and as part of a team, under direct and/or indirect supervision, use discretion and judgement, and take responsibility for the quality of their output. They would perform specific tasks in a broad range of contexts.

No licensing, legislative or certification requirements apply to unit at the time of publication.

Pre-requisite Unit

Not applicable.

Competency Field

Explosive Ordnance

Unit Sector

Not applicable.

Elements and Performance Criteria

ELEMENTS

Elements describe the essential outcomes.

PERFORMANCE CRITERIA

Performance criteria describe the performance needed to demonstrate achievement of the element.

1 Confirm requirements of a small quantity facility

1.1 Identify small quantity facility requirements

1.2 Manage facility in accordance with explosive limit licences

1.3 Develop and display approved storage plans

2 Operate the facility

2.1 Identify, calculate, confirm and apply net explosive quantities and compatibility throughout the operation

2.2 Confirm authorised packages, seals and marks comply with organisational requirements

2.3 Issue and receipt items held in a small quantity facility

2.4 Display hazard divisions including applicable supplementary fire symbols

2.5 Interpret emergency procedure specific for the facility and apply contingency plans

2.6 Monitor explosive license limit during operations using authorised record systems

3 Maintain facility operating requirements

3.1 Ensure serviceability of equipment and tools

3.2 Ensure housekeeping procedures are adhered to

3.3 Maintain documentation and records

Foundation Skills

Foundation skills essential to performance are explicit in the performance criteria of this unit of competency.

Range of Conditions

Range is restricted to essential operating conditions and any other variables essential to the work environment.

Non-essential conditions may be found in the Companion Volume Implementation Guide.

Unit Mapping Information

This unit supersedes and is equivalent to DEFEO216A Operate a small quantity explosives facility.
