DEFGEN004 Manage personal performance

Modification History

Release	Comments
1	This unit was released in DEF Defence Training Package release 1.0 and meets the Standards for Training Packages.

Application

This unit describes the skills required to manage personal performance outcomes and maintain skills.

This unit was developed for workers in the Australian Defence Force, but is applicable to anyone required to maintain personal performance.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies and procedures must be consulted and adhered to.

Those undertaking this unit would work under indirect supervision, usually as part of the team while performing routine tasks in a broad range of contexts. They would take responsibility for their own work outcomes.

No licensing, legislative or certification requirements apply to unit at the time of publication.
