Assessment Requirements for DEFGEN013 Provide Initial Response to Combat Casualty

Release: 1

Assessment Requirements for DEFGEN013 Provide Initial Response to Combat Casualty

Modification History

Release	Comments
1	These Assessment Requirements were released in DEF Defence Training Package release 1.0 and meet the Standards for Training Packages.

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- demonstrating adequate infection control procedures, including standard precautions
- demonstrating the following casualty care procedures for:
 - cardiac arrest
 - a casualty suffering from shock
 - a haemorrhaging casualty
 - applying dressings and bandages
 - immobilising fractures
 - chest, ballistic and abdominal wounds,
 - bites and stings
- recording information using accurate terminology to describe medical conditions and treatments

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- principles behind the following casualty care procedures for:
 - unconscious casualties
 - burns injuries
 - eye, head, and crush injuries
 - heat and cold illnesses
 - anaphylaxis
 - drowning and near drowning
- psychological impacts and responses associated with the provision of casualty care

- relevant organisational policies, procedures and guidelines

Assessment Conditions

Competency should be assessed in an actual workplace or in a simulated environment, with access to equipment and infrastructure appropriate to the outcome. Competency should be demonstrated over time to ensure the candidate is assessed across a variety of situations.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
