Assessment Requirements for DEFMIL001 Use personal camouflage and concealment in a threat environment

Release: 1

Assessment Requirements for DEFMIL001 Use personal camouflage and concealment in a threat environment

Modification History

Release	Comments
1	These Assessment Requirements were released in DEF Defence Training Package release 1.0 and meet the Standards for Training Packages. Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- assembling and carrying personal equipment
- undertaking movement by day or night
- reacting appropriately to unexpected incidents
- using visual scanning
- using non-verbal signals
- applying appropriate camouflage and concealment techniques
- minimising signature at the halt and when on the move

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- ability of technology
- information that can be obtained through examination of waste
- issues influencing personal camouflage
- methods of packing
- non-verbal signals
- WHS techniques
- physical environment
- principles of camouflage and concealment

- reasons why things are seen/compromised
- tactical situation
- threat detection capabilities

Assessment Conditions

Competency should be assessed in an actual workplace or in a simulated environment, with access to equipment and infrastructure appropriate to the outcome. Competency should be demonstrated over time to ensure the candidate is assessed across a variety of situations.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
