DEFMIL111 Undertake reconnaissance tasks

Modification History

Release	Comments
1	This unit was released in DEF Defence Training Package release 1.0 and meets the Standards for Training Packages. This unit supersedes and is equivalent to DEFCA404B Undertake reconnaissance tasks. • Unit code updated • Content and formatting updated to comply with the new standards • All PC transitioned from passive to active voice • PC 2.4 and 2.5 removed

Application

This unit describes the skills required to operate as a team member during the conduct of reconnaissance tasks in the Defence Force. Reconnaissance operations require soldiers to operate in small teams in close proximity to the enemy in order to gather information to inform their commanders.

This unit applies to those working as combat arms personnel required to deploy in an operational environment.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies and procedures must be consulted and adhered to.

Those undertaking this unit would work independently and as part of a team under direct and/or indirect supervision. They would use discretion and judgement, and take responsibility for the quality of their outputs. They would perform specific tasks in a broad range of contexts.

No licensing, legislative, regulatory or certification requirements apply to this unit at the time of publication.
