Assessment Requirements for DEFMIL128 Manage range practices and qualifications

Release: 1

Assessment Requirements for DEFMIL128 Manage range practices and qualifications

Modification History

Release	Comments
1	These Assessment Requirements were released in DEF Defence Training Package release 1.0 and meet the Standards for Training Packages. ► Assessment Requirements created drawing upon specified assessment information from superseded unit

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- applying weapon and ammunition safety
- operating relevant weapons and ammunition
- auditing weapons and range qualifications
- confirming accuracy and safety of range instructions
- issuing range qualifications within the scope of their authority
- implementing current range regulations, policies and procedures

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- characteristics, technical capabilities, effects, employment and limitations of relevant weapons, simulation and ammunition
- command, management and leadership principles
- operational safety
- risk identification and management

Assessment Conditions

Competency should be assessed in an actual workplace or in a simulated environment, with access to equipment and infrastructure appropriate to the outcome. Competency should be demonstrated over time to ensure the candidate is assessed across a variety of situations.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
