DEFSS00033 Diving Attendant Skill Set

Release: 1

DEFSS00033 Diving Attendant Skill Set

Modification History

Release 1. New skill set.

This is the first release of this skill set in the DEF Defence Training Package.

Description

This skill set applies to diving attendants, timekeepers or recorders, and standby divers, who work as attendants at diving operations under the direct supervision of a Work Diver or Dive Supervisor.

Defence members who hold this skill set will be able to support diving operations on Navy ships and fleet units to provide operational capability to meet Defence mission and capability requirements.

Pathways Information

This skill set is part of the DEF Defence Training Package.

The skill set can be a standalone outcome or the units may contribute to the achievement of relevant qualifications.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this skill set at the time of publication.

Skill Set Requirements

A total of **two (2)** units of competency must be attained.

DEFWDV018	Act as a standby diver
DEFWDV039	Support self-contained underwater breathing apparatus (SCUBA) diving operations from the surface

Target Group

This skill set applies to Defence personnel required to attend at a diving operation under supervision in a Defence environment.

Suggested words for Statement of Attainment

The DEFSS00033 Diving Attendant Skill Set meets the industry requirements for diving attendants to support diving operations under the direct supervision of a Work Diver or Dive Supervisor.
