DEFSS00034 SCUBA Air Diver Skill Set

Release: 1

DEFSS00034 SCUBA Air Diver Skill Set

Modification History

Release 1. New skill set.

This is the first release of this skill set in the DEF Defence Training Package.

Description

This skill set applies to Australian Defence Force (ADF) Dive Team members who undertake SCUBA operations on Navy Ships and fleet units under supervision to provide operational capability to meet Defence mission and capability requirements.

Pathways Information

This skill set is part of the DEF Defence Training Package.

The skill set can be a standalone outcome or the units may contribute to the achievement of relevant qualifications.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this skill set at the time of publication.

Skill Set Requirements

A total of **three (3)** units of competency must be attained.

DEFWDV018	Act as a standby diver
DEFWDV019	Conduct an underwater search of a ship's hull
DEFWDV025	Dive using self-contained underwater breathing apparatus in open water to a maximum depth of 30 metres

Target Group

This skill set is relevant for Defence members required to undertake SCUBA operations on Navy Ships and fleet units to provide operational capability under supervision to meet Defence mission and capability requirements.

Suggested words for Statement of Attainment

The DEFSS00034 SCUBA Air Diver Skill Set meets the industry requirements to be a member of a Navy Ship's Dive Team under the direct supervision of an Australian Defence Force (ADF) Dive Team Leader and/or ADF Diver Operations Manager.
