DEFSS00041 Provide Technical Advice Skill Set

Release: 1

DEFSS00041 Provide Technical Advice Skill Set

Modification History

Release 1. New Skill Set.

This is the first release of this Skill Set in the DEF Defence Training Package.

Description

This Skill Set reflects the knowledge and skills needed to provide technical advice and potential solutions where Defence personnel have relevant experience, expertise and knowledge.

Pathways Information

This Skill Set is part of the DEF Defence Training Package. The Skill Set can be a standalone outcome or the units of competency may contribute to the achievement of relevant qualifications.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this skill set at the time of publication.

Skill Set Requirements

A total of **three (3)** units of competency must be attained.

DEFCPL002 Apply knowledge of regulatory systems

DEFGEN011 Interpret policy, legislation and regulations

DEFGEN012 Provide technical advice

Target Group

This Skill Set applies to Defence personnel with relevant experience, expertise and knowledge within specialised technical areas. They will be required to understand the regulatory and technical frameworks that they work within.

Suggested words for Statement of Attainment

The DEFSS00041 Provide Technical Advice Skill Set meets the industry requirements to work both independently or as part of a team to provide advice within their areas of technical capability in accordance with legislative, regulatory and policy guidance.

Custom Content Section

Not applicable.
