DEFSS00042 Work Health and Safety (WHS) Fundamentals Skill Set

Release: 1

DEFSS00042 Work Health and Safety (WHS) Fundamentals Skill Set

Modification History

Release 1. New Skill Set.

This is the first release of this Skill Set in the DEF Defence Training Package.

Description

This Skill Set outlines the competencies for Defence personnel to participate in workplace activities that contribute to the health and safety of themselves and others.

Pathways Information

This Skill Set is part of the DEF Defence Training Package. The Skill Set can be a standalone outcome or the units may contribute to the achievement of relevant qualifications.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this skill set at the time of publication.

Skill Set Requirements

A total of **two (2)** units of competency must be attained.

DEFGEN011 Interpret policy, legislation and regulations

BSBWHS211 Contribute to the health and safety of self and others

Target Group

This Skill Set applies to Defence personnel who comply with Work Health and Safety (WHS) legislative requirements and follow WHS procedures and practices in a Defence workplace.

Suggested words for Statement of Attainment

The DEFSS00042 Work Health and Safety (WHS) Fundamentals Skill Set meets the industry requirements for an individual to perform foundation-level tasks as part of a team in accordance with legislative, regulatory and policy guidance.

Custom Content Section
