DEFSS00003 Defence heavy vehicle recovery

Modification History

Release	TP versions	Comments
1	DEF12 V2	First release.

Description

Not applicable.

Pathways Information

This skill set is stand-alone and does not provide credit towards a specific qualification.

Licensing/Regulatory Information

Not applicable.

Skill Set Requirements

DEFVH001A	Conduct recovery vehicle operations in a field environment
DEFVH002A	Extract disabled equipment using winching techniques in a field environment

Target Group

This skill set covers the competency required to recover equipment and vehicles which have become bogged or broken down and due to terrain or environmental factors, cannot be extracted by other means.

Typically, operations are conducted by individuals acting independently or in charge of a small team, operating in remote environments isolated from assistance or supervision.

Suggested words for Statement of Attainment

This skill set meets industry requirements as specified in the DEF12 Defence Training Package for work in the area of recovering equipment and vehicles which, due environmental factors, cannot be extracted by other means.

Disclaimer

Readers should ensure that they have also read the part of the Training Package that outlines licensing and regulatory requirements.
