FBPOPR2064 Clean and sanitise equipment

Release: 1

FBPOPR2064 Clean and sanitise equipment

Modification History

Release	Comments
Release 1	This version released with FBP Food, Beverage and Pharmaceutical Training Package Version 2.0.

Application

This unit of competency describes the skills and knowledge required to clean, sanitise and carry out related procedures for food processing production equipment.

This unit applies to individuals who are primarily responsible for cleaning or where a more detailed knowledge of cleaning and sanitation processes is required in order to carry out cleaning responsibilities. This unit applies to both wet and dry cleaning methods.

No occupational licensing, legislative or certification requirements apply to this unit at the time of publication.

Pre-requisite Unit

Nil

Unit Sector

Operational (OPR)
