Assessment Requirements for FBPOPR2075 Work effectively in the food processing industry

Release: 1

Assessment Requirements for FBPOPR2075 Work effectively in the food processing industry

Modification History

Release	Comments
Release 1	This version released with FBP Food, Beverage and Pharmaceutical Training Package Version 6.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has worked effectively in the food processing industry in a specified role over a period of at least one shift, including:

- applying safe work procedures
- communicating effectively with supervisor and team members.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- workplace structure and key personnel
- rights and responsibilities of employees as defined in employment conditions
- workplace policies and procedures relating to work responsibilities, including areas covered by legislation and related responsibilities
- appropriate personal conduct in a work area, including minimum clothing and personal hygiene standards when entering and moving around a food processing area in order to protect both employees and product safety, and behaving appropriately towards others in the work area
- industrial representation arrangements
- site security arrangements, including responsibility to report when coming on-site and off-site
- the main products/product range produced in the workplace
- stages and processes used to manufacture and package products
- health and safety hazards and controls relevant to the workspace
- food safety risks and controls relevant to product
- critical control point (CCP) approach to monitoring food processing
- personal reporting roles and responsibilities.

Assessment Conditions

Assessment of the skills in this unit of competency must take place under the following conditions:

- physical conditions:
 - a food processing workplace or an environment that accurately represents workplace conditions
- resources, equipment and materials:
 - site maps
 - access to a workplace
- specifications:
 - workplace policies, codes of practice, procedures, structure and personnel
 - work roles and responsibilities, training and career information
 - conditions of employment and entitlements
- personnel:
 - supervisor.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
