Release	Comments
Release 2	This version released with FNS Financial Services Training Package version 1.1 Release 2 created to correct typographical error
Release 1	This qualification first released with FNS Financial Services Training Package version 1.0

Qualification Description

This qualification reflects job roles in financial markets office operations. Individuals in these roles apply specialist knowledge and skills to work autonomously and exercise judgement in completing routine and non-routine activities relating to confirming, settling and reconciling financial transactions and assisting in settling loans.

Licensing/Regulatory Information

No licensing or certification requirements apply to this qualification at the time of publication. However, some units will specify relevant licensing, legislative and/or regulatory requirements that impact on the unit. Refer to the FNS Implementation Guide Companion Volume for guidance on requirements.

Entry Requirements

Nil.

Packaging Rules

Total number of units = 15

10 core units plus
