**Release 3**

## FNS51615 Diploma of Securitisation

### Modification History

Release	Comments
Release 3	This version released with FNS Financial Services Training Package version 3.0. Release 3 created to update elective unit list
Release 2	This version released with FNS Financial Services Training Package version 1.1 Release 2 created to correct typographical error
Release 1	This qualification first released with FNS Financial Services Training Package version 1.0

### Qualification Description

This qualification is designed for professionals entering the securitisation sector in specialist job roles. Individuals in these roles have autonomy in performing technical operations, apply solutions to a range of often complex problems, and research, analyse and evaluate information from a variety of sources. They apply initiative to plan, coordinate and evaluate their own work and provide guidance to others.

#### *Licensing/Regulatory Information*

No licensing or certification requirements apply to this qualification at the time of publication. However, some units will specify relevant licensing, legislative and/or regulatory requirements that impact on the unit. Refer to the FNS Implementation Guide Companion Volume for guidance on requirements.

### Entry Requirements

*Nil.*

### Packaging Rules

**Total number of units = 12**

**8 core units** plus**4 elective units**

The elective units consist of:

- 2 from the electives below.

Of the remaining 2 units:
