Assessment Requirements for FNSACC605 Implement organisational improvement programs

Release: 1

Assessment Requirements for FNSACC605 Implement organisational improvement programs

Modification History

Release	Comments
Release 1	This version first released with FNS Financial Services Training Package Version 1.0.

Performance Evidence

Evidence of the ability to:

- review programs using standard financial analysis management techniques
- contribute to strategic development through development or implementation of strategic plans
- develop and document options for improvement
- establish systems to support and communicate change.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- discuss issues of organisational compliance with legislation
- identify and explain the key features of financial legislation relevant to taxable transactions and reporting requirements
- compare and contrast financial planning and analysis techniques
- outline the key features of recording and information management systems
- identify the key principles of:
 - cost–benefit analysis
 - internal control, including statutory requirements
 - resource management.
 -

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in the accounting field of work and include access to:

- common office equipment, technology, software and consumables
- organisational policy and procedures documentation and operational data.

Assessors must satisfy NVR/AQTF assessor requirements.
