Assessment Requirements for FNSACC607 Evaluate business performance

Release: 3

Assessment Requirements for FNSACC607 Evaluate business performance

Modification History

Release	Comments
Release 3	This version first released with FNS Financial Services Training Package Release 8.1. Pre-requisite unit updated.
Release 2	This version first released with FNS Financial Services Training Package Version 3.1 Update to pre-requisite unit code

Performance Evidence

Evidence of the ability to:

- analyse trends in business performance using standard accounting techniques
- develop performance indicators and identify options for improvement
- monitor performance indicators and document options for improvement
- establish organisational objectives, policy and procedures.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- discuss ethical considerations relating to conflict of interest, confidentiality and disclosure requirements
- identify the key principles and methods of:
 - valuation
 - capital budgeting analysis and investment analysis
- cost –benefit analysis and use of performance ratios or comparison techniques.
-

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in the accounting field of work and include access to:

- common office equipment, technology, software and consumables
- corporate governance documentation
- organisational operational policy and procedures information.

Assessors must satisfy NVR/AQTF assessor requirements.
