Assessment Requirements for FNSISV526 Allocate authorities and guidelines for distribution

Release: 1

Assessment Requirements for FNSISV526 Allocate authorities and guidelines for distribution

Modification History

Release	Comments
Release 1	This version first released with FNS Financial Services Training Package Version 6.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- allocate authorities and guidelines for distribution at least once.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- legislative and regulatory requirements and industry codes of practice applicable to the allocation of authorities and guidelines
- organisational policies, procedures, authorities and guidelines applicable to the allocation of authorities and guidelines
- key aspects of organisational business plan, its requirements and objectives
- key aspects of negotiation techniques and procedures
- methodologies to test application of authorities and guidelines
- procedures and criteria used to determine allocation of authorities and guidelines
- procedures and requirements to provide training applicable to allocation of authorities and guidelines for distribution and methods to assess its effectiveness.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- organisational records
- organisational policies and procedures, legislation and regulations relating to allocating authorities and guidelines
- organisational equipment, technology, software and consumables.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
