Assessment Requirements for FNSMCA314 Locate individuals

Release: 1

Assessment Requirements for FNSMCA314 Locate individuals

Modification History

Release	Comments
Release 1	This version first released with FNS Financial Services Training Package Version 6.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- locate at least three individuals using at least three different search tools.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- organisational policies and procedures, legislative and regulatory requirements, and ethical codes of conduct related to:
 - locating individuals and making contact
 - privacy rights and protections
 - coercion and harassment
- methods and tools to locate and contact individuals, including:
 - public records
 - online search
 - field calls
- methods of communication suited to making discrete enquiries.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- organisational equipment, technology and software
- internet search tools and public databases
- social media for search purposes.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
