Assessment Requirements for FNSORG508 Analyse and comment on management reports

Modification History

Release	Comments
Release 1	This version first released with FNS Financial Services Training Package Version 1.0.

Performance Evidence

Evidence of the ability to:

- establish business items that require analysis and obtain relevant information
- analyse components within reports
- evaluate for comment and correction where necessary.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- describe key features of organisational policy and procedures relating to management reports
- outline the key points of relevant legislation, regulations and compliance requirements
- outline the key requirements of the financial services industry codes of practice
- describe common business objectives and expected outcomes in management reports.

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in the organisational skills field of work and include access to:

- common office equipment, technology, software and consumables
- an integrated financial software system and data
- organisational policy and procedures documentation.

Assessors must satisfy NVR/AQTF assessor requirements.
