Release: 1

FSKNUM06 Use highly familiar maps and diagrams for work

Modification History

Release	Comments
Release 1	This streamlined version first released with <i>FSK Foundation Skills Training Package version 1.0</i> .

Application

This unit describes the skills and knowledge required to locate items or places using highly familiar maps and diagrams. Also, to give and follow simple oral directions to locate items or familiar places.

This unit applies to individuals who need numeracy skills at Australian Core Skills Framework (ACSF) level 1 to undertake a vocational training pathway or workplace tasks.

This unit is designed for integration and contextualisation with vocational units to support achievement of vocational competency.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Unit Sector

Numeracy
