FSKNUM11 Read and use familiar maps, plans and diagrams for work

Release: 1

FSKNUM11 Read and use familiar maps, plans and diagrams for work

Modification History

Release	Comments
Release 1	This streamlined version first released with <i>FSK Foundation Skills Training Package version 1.0</i> .

Application

This unit describes the skills and knowledge required to read, interpret and use familiar maps, plans and diagrams to locate items and familiar places.

This unit applies to individuals who need numeracy skills at Australian Core Skills Framework (ACSF) level 2 to undertake a vocational training pathway or workplace tasks.

This unit is designed for integration and contextualisation with vocational units to support achievement of vocational competency.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Unit Sector

Numeracy

Elements and Performance Criteria

Element	Performance Criteria
<i>Elements describe the essential outcomes.</i>	<i>Performance criteria describe the performance needed to demonstrate achievement of the element.</i>
1. Identify items and places in familiar maps and plans	1.1 Locate items and places in familiar maps, plans and diagrams 1.2 Recognise common symbols and keys in familiar maps, plans and diagrams
2. Use familiar maps and plans for workplace tasks	2.1 Demonstrate understanding of direction and location by describing the location of objects, or route to familiar places 2.2 Follow and give instructions to locate familiar objects or places 2.3 Use mainly informal and some formal oral mathematical language and symbols

Foundation Skills

This section describes language, literacy, numeracy and employment skills incorporated in the performance criteria that are required for competent performance.

Skill	Performance Criteria	Description
		Foundation skills essential to performance are explicit in the performance criteria of this unit of competency.
