Overall – increase from 14 to 17 units Core – decrease from 13 to 12 units Electives – increase from 1 to 5 units Includes new unit HLTAHW015, first aid and updated WHS unit

Qualification Description

This qualification reflects the role of Aboriginal and/or Torres Strait Islander people working at the entry level of primary health care for Aboriginal and/or Torres Strait Islander clients. Certificate III may be regarded by many jurisdictions as the minimum level for Aboriginal and/or Torres Strait Islander health work. In some jurisdictions, however, individuals may start at Certificate II level and, when ready, progress to Certificate III. The qualification structure for Certificate III supports both these options. This qualification is suited to Australian Apprenticeship pathways.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Packaging Rules

Total number of units = 17, including:

12 core units

5 elective units, of which:

- at least 3 units must come from the elective unit list below
- up to 2 units may be selected from any endorsed Training Packages or accredited courses relevant to the work outcome.

All electives chosen must contribute to a valid, industry-supported vocational outcome.
