HLT36115 Certificate III in Indigenous Environmental Health

HLT36115 Certificate III in Indigenous Environmental Health

Modification History

Release	Comments
2	Minor change to replace superseded units of competency in the elective bank.
1	This qualification was first released in HLT Health Release 3.0.

Qualification Description

This qualification reflects the role of entry-level indigenous environmental health worker. At this level, work takes place under the direction of others and supervision may be direct or indirect. These workers contribute to the work of others through teamwork and coordination.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

This qualification has no entry requirements.

Packaging Rules

Total number of units = 13

- 7 core units
- 6 elective units, consisting of:
 - at least 4 units from the electives listed below
