HLT46015 Certificate IV in Population Health

HLT46015 Certificate IV in Population Health

Modification History

Release	Comments
2	Minor change to replace superseded units of competency in the elective bank.
1	This qualification was first released in HLT Health Release 3.0.

Qualification Description

This qualification reflects the role of individuals who provide basic support in population health work. At this level, workers may be autonomous with limited responsibility within established parameters and may be required to supervise and lead other workers.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

This qualification has no entry requirements.

Packaging Rules

Total number of units = 18
