Qualification Description

This qualification reflects the role of clinical aromatherapists, who provide therapeutic treatments to address a range of health issues. Practitioners may be self-employed or may work within a larger health service.

To achieve this qualification, the candidate must have completed at least 120 hours of work as detailed in the Assessment Requirements of units of competency.

No licensing, legislative, regulatory or certification requirements apply to this qualification at the time of publication.

Packaging Rules

Total number of units = 20

- 16 core units

- 4 elective units, consisting of:
 - at least 1 unit from the Business Management group below
 - up to 3 units from the electives listed below, any endorsed Training Package or accredited course – these units must be relevant to the work outcome

All electives chosen must contribute to a valid, industry-supported vocational outcome.
