Qualification Description

This qualification reflects the role of kinesiologists, who provide kinesiology balances to address a broad range of health and well-being issues. Practitioners are usually self-employed but may work within a larger health service.

To achieve this qualification, the candidate must have completed at least 200 hours of work as detailed in the Assessment Requirements of units of competency.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

This qualification has no entry requirements.

Packaging Rules
