Assessment Requirements for HLTFSE003 Perform kitchenware washing

Release: 1

Assessment Requirements for HLT FSE003 Perform kitchenware washing

Modification History

Release	Comments
Release 1	This version was released in <i>HLT Health Training Package release 3.0</i> and meets the requirements of the 2012 Standards for Training Packages. Significant changes to the elements and performance criteria. New evidence requirements for assessment, including volume and frequency requirements. Significant change to knowledge evidence. Removed prerequisite. Supersedes HLTFS205D

Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in the elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be evidence that the candidate has :

- operated dishwasher safely and in accordance with manufacturer's recommendations at least 2 times, including:
 - stacking kitchenware
 - using correct chemicals
 - unstacking and storing kitchenware
- hand washed and dried at least 2 items using the correct water temperature, chemicals and personal protective clothing
- identified and disposed of at least 2 cracked, chipped or broken kitchenware items.

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively do the task outlined in the elements and performance criteria of this unit, manage the task and manage contingencies in the context of the identified work role. This includes knowledge of:

- legal and organisational requirements regarding:
 - infection control
 - manual handling

- temperature requirements for hand and machine washing, rinsing and drying
- personal protective clothing.

Assessment Conditions

Skills must have been demonstrated in a workplace or a simulated environment that reflects workplace conditions. The following conditions must be met for this unit:

- use of suitable facilities equipment and resources, including:
 - commercial dishwasher and hand dishwashing facilities, detergents and equipment
 - personal protective clothing
 - kitchenware
 - kitchenware storage facilities
- modelling of industry operating conditions.

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015/AQTF mandatory competency requirements for assessors.
