<u>HLTREM406C</u>	<u>Provide massage treatment</u>
<u>HLTREM407C</u>	<u>Plan massage treatment</u>
<u>HLTREM408C</u>	<u>Apply massage assessment framework</u>
<u>HLTREM409C</u>	<u>Perform massage health assessment</u>

The importance of culturally aware and respectful practice

All workers undertaking work in health need foundation knowledge to inform their work with Aboriginal and/or Torres Strait Islander clients and co-workers and with clients and co-workers from culturally and linguistically diverse backgrounds. This foundation must be provided and assessed as part of a holistic approach to delivery and assessment of this qualification. Specific guidelines for assessment of this aspect of competency are provided in the Assessment Guidelines for the Health Training Package.
