Assessment Requirements for LGACOR006 Provide public education

Release: 1

Assessment Requirements for LGACOR006 Provide public education

Modification History

Not applicable.

Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and:

- provide one public education program to meet an identified public information need for a defined target group.

Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- organisational policies and procedures applicable to providing public education
- organisational structure and services
- adult education principles
- methods used to develop and design public education programs
- presentation techniques and equipment
- sources of information on issues of public importance
- strategies to seek feedback and evaluate programs for improvement.

Assessment Conditions

Skills must be demonstrated in the workplace or in a simulated work environment that reflects workplace conditions in a local government environment.

Assessment must ensure access to:

- organisational policies and procedures applicable to providing public education
- members of a target group
- presentation equipment
- presentation venue.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors.
