Assessment Requirements for LGAPRO001 Interpret and apply property management legislation

Release: 1

Assessment Requirements for LGAPRO001 Interpret and apply property management legislation

Modification History

Not applicable.

Performance Evidence

Evidence of the ability to complete tasks outlined in elements and performance criteria of this unit in the context of the job role, and:

- interpret and apply property management legislation including:
 - undertaking one assessment of land use and management
 - undertaking one land classification and categorisation
 - responding to one external enquiry verbally and in writing
 - responding to one internal enquiry verbally and in writing.

Knowledge Evidence

Demonstrated knowledge required to complete the tasks outlined in elements and performance criteria of this unit:

- organisational policies and procedures applicable to property management
- legislation requirements applicable to property management
- methods of assessing land use and management and land parcel dynamics:
 - history
 - ownership
 - restrictions
- crown land requirements including native title related to property management
- types of land classifications and categorisations
- methods of identifying land classifications and categorisations for leases, licences, sales and dealings.

Assessment Conditions

Skills must be demonstrated in the workplace or in a simulated work environment that reflects workplace conditions in a local government environment.

Assessment must ensure access to:

- organisational policies and procedures applicable to property management
- legislative requirements applicable to property management
- information systems relevant to property management.

Assessors must satisfy the Standards for Registered Training Organisations' requirements for assessors.
