MAR30122 Certificate III in Marina Operations

Release 2

MAR30122 Certificate III in Marina Operations

Modification History

Release 2. This is the second release of this qualification in the MAR Maritime Training Package with updated elective unit.

Release 1. This is the first release of this qualification in the MAR Maritime Training Package.

Qualification Description

This qualification applies to people working in the marina industry performing a range of tasks such as berthing, mooring and storage of vessels and a range of boatyard tasks connected to sailing, cruising and general boating.

This qualification applies to individuals who provide assistance under supervision in the operational management of the marina.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

There are no entry requirements for this qualification.

Packaging Rules

Total number of units = 14

- 10 core units, **plus**
- 4 elective units.

Up to 2 of the 4 elective units may be imported from any relevant nationally endorsed Training Package. The general elective units must contribute to the vocational outcomes of the qualification and must be relevant to the job role, work outcome, enterprise, and individual needs.

Where imported units are selected, care must be taken to ensure that all prerequisite units specified are complied with.

Where a prerequisite is attached to a unit it is identified by the symbol ∟
