MARF023 Apply safe work practices in a marina

Release: 1

MARF023 Apply safe work practices in a marina

Modification History

Release 1. This is the first release of this unit of competency in the MAR Maritime Training Package Release 3.0.

Application

This unit involves the skills and knowledge required to apply safe work practices according to the organisation's work health and safety (WHS)/occupational health and safety (OHS) policies and procedures, within the context of a small work team.

This unit applies to individuals working in a marina who have a key role in monitoring and maintaining workplace safety.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Pre-requisite Unit

Not applicable.

Competency Field

F – Operational Quality and Safety

Unit Sector

Not applicable.

Elements and Performance Criteria

ELEMENTS	PERFORMANCE CRITERIA
Elements describe the essential outcomes.	Performance criteria describe the performance needed to demonstrate achievement of the element.
1 Identify WHS/OHS policy and procedures	1.1 Relevant WHS/OHS legislation, policy and workplace procedures are accessed, reviewed and clarified as necessary 1.2 WHS/OHS responsibilities and duties are identified and accountability processes are outlined 1.3 Records are accurately completed and maintained according to workplace procedures and WHS/OHS legislative requirements

- | | |
|--|--|
