MARSS00004 Marine Emergency Care, Craft and Communication Skill Set

Release: 3

MARSS00004 Marine Emergency Care, Craft and Communication Skill Set

Modification History

Release 3: This is the third release of this Skill Set in the MAR Maritime Training Package with updated regulatory and vessel length details.

Release 2: This is the second release of this Skill Set in the MAR Maritime Training Package with updated unit codes and details.

Release 1: New Skill Set.

Description

This Skill Set reflects the additional units required by people certified as a Master up to 100 metres Near Coastal seeking Australian Maritime Safety Authority (AMSA) certification as a Master up to 500 gross tonnage (GT) as specified in Marine Order 505.

Pathways Information

This Skill Set contributes to a range of qualifications in the MAR Maritime Training Package.

Before undertaking this Skill Set, seafarers seeking certification as a Master up to 500 GT should check with AMSA to determine additional certification requirements.

Licensing/Regulatory Information

Seafarers should ensure they have also read the part of the Training Package Companion Volume Implementation Guide that outlines licensing and regulatory requirements.

Skill Set Requirements

A total of 3 units of competency must be attained.

MARF038	Manage provision of medical care on board a vessel
MARF043	Operate survival craft, rescue boats and lifesaving appliances (proficiency in survival craft)
MARO011	Transmit and receive information by the Global Maritime Distress and Safety System (GMDSS)

Target Group

People who hold a MAR50220 Diploma of Maritime Operations (Master less than 100 metres Near Coastal), have AMSA certification to work as a Master up to 100 metres Near Coastal as specified in Marine Order 505 and are seeking certification as a Master up to 500 GT.

Suggested words for Statement of Attainment

The MARSS00004 Marine Emergency Care, Craft and Communication Skill Set reflects additional responsibilities undertaken by someone with Australian Maritime Safety Authority (AMSA) certification as a Master up to 80 metres Near Coastal seeking certification as a Master up to 500 gross tonnage (GT).
