# **MEASS00016 Airframe - B1.4 Licence Exclusion E2 Removal (when competencies are being gained on basic helicopters)**

**Release: 1**

## **MEASS00016 Airframe - B1.4 Licence Exclusion E2 Removal (when competencies are being gained on basic helicopters)**

### **Modification History**

Not applicable.

### **Description**

Not applicable.

### **Pathways Information**

|                |                                                                                                                                |
|----------------|--------------------------------------------------------------------------------------------------------------------------------|
| <b>Pathway</b> | The Aeroskills training Package MEA07 offers Certificate IV and Diploma qualifications in Aeroskills that include these units. |
|----------------|--------------------------------------------------------------------------------------------------------------------------------|

### **Licensing/Regulatory Information**

Not applicable.

### **Skill Set Requirements**

|              |         |                                                                                                      |
|--------------|---------|------------------------------------------------------------------------------------------------------|
| <b>Units</b> | MEA352A | Maintain basic rotary wing aircraft systems                                                          |
|              | MEA363A | Inspect, repair and maintain structure and related components of non-pressurised small aircraft      |
|              | MEA364A | Maintain and/or repair small aircraft mechanical components or parts                                 |
|              | MEA365A | Assess structural repair/modification requirements and evaluate structural repairs and modifications |

## Target Group

|                     |                                                                                                                                                                                                                                                                                                                                |
|---------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target Group</b> | Holders of CASA B1.4 licences endorsed with an airframe exclusion E2 who wish to have the exclusion removed from their licence. This Skill Set covers the MEA07 Aeroskills Training Package units of competency that must be attained before being able to certify maintenance on basic helicopter airframe systems/structure. |
|---------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## Suggested words for Statement of Attainment

|                                                            |                                                                                                                                                                                                               |
|------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Suggested form of words for Statement of Attainment</b> | These competencies from the Aeroskills Training Package MEA07 meet the requirements of CASA for the removal of airframe exclusion E2 from CASR Part 66 B1.3 and 1.4 licences for basic helicopter maintenance |
|------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
