# **MEASS00035 Gas turbine engine combustion section module/component repair/overhaul**

**Release: 1**

## **MEASS00035 Gas turbine engine combustion section module/component repair/overhaul**

### **Modification History**

Not applicable.

### **Description**

Not applicable.

### **Pathways Information**

|                |                                                                                                                      |
|----------------|----------------------------------------------------------------------------------------------------------------------|
| <b>Pathway</b> | The Aeroskills Training Package MEA07 offers a Certificate IV qualification in Aeroskills that includes these units. |
|----------------|----------------------------------------------------------------------------------------------------------------------|

### **Licensing/Regulatory Information**

Not applicable.

### **Skill Set Requirements**

|              |         |                                                                                        |
|--------------|---------|----------------------------------------------------------------------------------------|
| <b>Units</b> | MEA108B | Complete aviation maintenance industry documentation                                   |
|              | MEA145A | Conversion from allied trades for employment in aviation maintenance workshops         |
|              | MEA384A | Repair and/or overhaul gas turbine engine combustion section components and/or modules |

## Target Group

|                     |                                                                                                                                                                                                                                       |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Target Group</b> | Individuals with Certificate III or Certificate IV qualifications in an allied trade who are to be employed in aircraft component maintenance workshops on gas turbine engine combustion section module/component repair and overhaul |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## Suggested words for Statement of Attainment

|                                                            |                                                                                                                                                                                                                                                                                                                      |
|------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Suggested form of words for Statement of Attainment</b> | These competencies from the Aeroskills Training Package MEA07 meet the requirements for employment of individuals with Certificate III or Certificate IV qualifications in an allied trade in aircraft component maintenance workshops on gas turbine engine combustion section module/component repair and overhaul |
|------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
