MEASS00077 Aeronautical product component parts - metal spinning lathe operations

Release: 1

MEASS00077 Aeronautical product component parts - metal spinning lathe operations

Modification History

Not applicable.

Description

Not applicable.

Pathways Information

This Skill Set has been developed to assist in compliance with CASR Part 145 and does not relate to an Aeroskills qualification.

Licensing/Regulatory Information

Not applicable.

Skill Set Requirements

MEA108B	Complete aviation maintenance industry documentation
MEA145A	Conversion from allied trades for employment in aviation maintenance workshops
MEM07030C	Perform metal spinning lathe operations (basic)
MEM07031C	Perform metal spinning lathe operations (complex)
MEM07032B	Use workshop machines for basic operations
MEM09002B	Interpret technical drawing
MEM12023A	Perform engineering measurement
MEM18001C	Use hand tools
MEM18002B	Use power tools/hand held operations

Target Group

Individuals with allied trade qualifications who are employed in CASR Part 145 AMOs and require approval to perform metal spinning lathe operations on aeronautical product component parts.

Suggested words for Statement of Attainment

These competencies from the MEA11 Aeroskills Training Package meet the requirements for employment of individuals with Certificate III or Certificate IV qualifications in an allied trade in aircraft component maintenance workshops on metal spinning lathe operations on aeronautical product component parts.
