| MEA343B | Remove and install avionics system components                                      |

## **Target Group**

Holders of CASA B1 licences endorsed with a radio E8 exclusion who wish to have the exclusion removed from their licence. This Skill Set covers the MEA11 Aeroskills Training Package units of competency that must be attained before undergoing specific type training in instrument-related avionic systems or before being able to certify maintenance in the case of non-rated aircraft types.

## **Suggested words for Statement of Attainment**

These competencies from the MEA11 Aeroskills Training Package meet the requirements of CASA for the removal of radio exclusion E8 from all CASR Part 66 B1 licences.

## **Custom Content Section**

Not applicable.
