Assessment Requirements for MSFFDM4017 Purchase materials and consumables

Release: 1

Assessment Requirements for MSFFDM4017 Purchase materials and consumables

Modification History

Release 1. Unit code and title changed. Application changed. Elements and Performance Criteria changed. Range of Conditions removed and relevant information moved to Assessment Requirements. Assessment Requirements changed to remove duplication with Performance Criteria. Supersedes and is equivalent to MSFFT4011 Purchase materials and consumables.

Performance Evidence

There must be evidence the candidate has completed the tasks outlined in the elements and performance criteria of this unit, and demonstrated the ability to:

- purchase materials on a minimum of four occasions, including two different materials and at least one perishable consumable purchase, in accordance with workplace procedures.

Knowledge Evidence

There must be evidence the candidate has knowledge of:

- contemporary supply or purchasing systems theory
- inventory systems management
- production planning processes and theories
- company operating procedures, including procedures for purchasing materials and consumables
- material and consumable usage rates
- operation requirements of equipment and work systems in own work area
- work health and safety requirements, including legislation, building codes, material safety management systems, hazardous and dangerous goods codes, and local safe operating procedures or equivalent.

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions and contingencies.

The following conditions must be met for this unit:

- access to workplace policies, procedures and stock documentation

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
