Assessment Requirements for MSFFF3016 Apply graining and decorative finishes

Release: 1

Assessment Requirements for MSFFF3016 Apply graining and decorative finishes

Modification History

Release 1. Changes to code, application, elements, performance criteria, assessment requirements. Foundation skills added. Range of conditions removed. Assessment requirements changed.

Performance Evidence

There must be evidence the candidate has completed all the tasks outlined in the elements and performance criteria of this unit, and demonstrated the ability to:

- apply graining solution to imitate a minimum of 2 different timber species
- apply material to imitate a marble finish and one other finish type.
-

Knowledge Evidence

There must be evidence the candidate has knowledge of:

- techniques for applying colouring agents or glazes
- decontamination materials, techniques and safety requirements
- identification of application techniques
- methods to prevent contamination of surfaces during and after surface coating
- common graining and decorative finishes, including:
 - ragging
 - stippling
 - ageing
 - distressing
- materials typically used to apply graining and decorative finishes, including at least 6 of the following:
 - water
 - abrasive papers
 - cotton rags
 - hessian
 - lacquer-based wiping stain
 - polyurethane wiping stain
 - spirit stain
 - pigment oil stain
 - proprietary brand stains
 - pigments

- acrylic paint
- enamel
- tools and equipment typically used in applying graining and decorative finishes, including at least 6 of the following:
 - liquid containers
 - rubber gloves
 - face masks
 - spray booths
 - spray guns
 - compressor
 - air lines
 - brushes
 - sanding block
 - brushes
 - graining tools
- workflow for applying surface coatings
- sources of workplace information, including:
 - workplace procedures relating to the use of tools and equipment
 - work instructions
 - workplace procedures for reporting and communication
 - manufacturer specifications and operational procedures
- work health and safety requirements, including personal protective equipment (PPE).
-

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions and contingencies. The following conditions must be met for this unit:

- use of suitable facilities, equipment and resources, including:
 - work orders
 - tools and equipment required for performance evidence
 - coatings and other consumables
 - PPE
 - items to be finished
 - workplace procedures, manufacturing specifications, codes, standards, manuals, and reference materials.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
