Release: 1

MSFFL2037 Install unpatterned tufted carpet

Modification History

Release 1. Supersedes and is not equivalent to MSFFL2018 Install unpatterned tufted and bonded carpet floor coverings, and, MSFFL2020 Install unpatterned tufted and bonded carpet floor coverings to stairs.

Application

This unit describes the skills and knowledge required to prepare, cut, lay out, join, power stretch, trim and finish unpatterned tufted carpet, using the carpet gripper installation system. It includes installation to box and winder steps.

This unit applies to flooring technicians installing carpet in accordance with pre-determined work orders.

Licensing, legislative or certification requirements may apply to this unit and relevant state/territory and local government agencies should be consulted to determine any necessary certification or licensing for undertaking flooring work. Industry standards and codes of practice within Australia must also be applied. Access to construction sites requires certification of general induction training specified by the National Code of Practice for Induction for Construction Work (ASCC 2007).
