MSFFL3060 Install adhesive fixed carpet

Release: 1

MSFFL3060 Install adhesive fixed carpet

Modification History

Release 1. Supersedes and is equivalent to MSFFL3006 Install adhesive fixed carpet floor coverings.

Application

This unit describes the skills and knowledge required to prepare, cut, lay, fix, join and finish, direct stick and dual-bonded carpet installations.

This unit applies to flooring technicians installing carpet in accordance with pre-determined work orders.

Licensing, legislative or certification requirements may apply to this unit and relevant state/territory and local government agencies should be consulted to determine any necessary certification or licensing for undertaking flooring work. Industry standards and codes of practice within Australia must also be applied. Access to construction sites requires certification of general induction training specified by the National Code of Practice for Induction for Construction Work (ASCC 2007).

Pre-requisite Unit

N/A

Unit Sector

Flooring technology
