MSFID4015 Prepare materials and finishes boards for client presentation

Release: 1

MSFID4015 Prepare materials and finishes boards for client presentation

Modification History

Release 1. Supersedes and is equivalent to MSFID4003 Prepare a materials board for client presentation.

Application

This unit describes the skills and knowledge required to identify presentation requirements and prepare materials or sample board for client presentation for interior decoration and design projects. The materials board includes visual demonstration of colour, materials, samples, finishes and textiles used in the decoration and design project.

This unit applies to interior decorators and designers.

No licensing or certification requirements exist at the time of publication. Relevant legislation, industry standards and codes of practice within Australia must be applied.

Pre-requisite Unit

Unit Sector

Interior Decoration and Design

Elements and Performance Criteria

Elements	Performance Criteria
<i>Elements describe the essential outcomes.</i>	<i>Performance criteria describe the performance needed to demonstrate achievement of the element.</i>
1. Identify presentation requirements from project brief	1.1 Review project brief to determine presentation requirements 1.2 Confirm parameters for the project with client 1.3 Select work resources based on project requirements 1.4 Assess and interpret all required information to inform the presentation process
2. Prepare boards	2.1 Obtain substrate in the selected colour and cut to the desired size 2.2 Gather and prepare visual information in accordance with the design theme and project brief 2.3 Gather products, materials and accessories and prepare selected items

Elements	Performance Criteria
<i>Elements describe the essential outcomes.</i>	<i>Performance criteria describe the performance needed to demonstrate achievement of the element.</i>
	2.4 Compose and arrange material and sample board components 2.5 Label fixtures or compile a legend that translates the parts and colours
3. Prepare for client presentation	3.1 Develop and prepare presentation methodology suited to the audience 3.2 Make board presentation to the client to sell the attributes of the design solution 3.3 Support presentation of materials board information with multimedia and computer-based strategies

Foundation Skills

Foundation skills essential to performance are explicit in the performance criteria of this unit of competency.

Unit Mapping Information

Supersedes and is equivalent to MSFID4003 Prepare a materials board for client presentation.

Assessment Requirements for MSFID4015 Prepare materials and finishes boards for client presentation

Modification History

Release 1. Supersedes and is equivalent to MSFID4003 Prepare a materials board for client presentation.

Performance Evidence

There must be evidence the candidate has completed the tasks outlined in the elements and performance criteria of this unit, and:

- prepared materials and finishes boards for 3 different decoration or design solutions.

Knowledge Evidence

There must be evidence the candidate has knowledge of:

- elements and principles of design, their interrelationships, and how they are used in interior decoration
- purpose and typical components of a materials and finishes board
- how to construct a materials board:
 - types of materials available for substrate
 - ways of organising the board for maximum effect
 - fixing methods for different components
- visual presentation methods and tools for supporting a materials board, including digital options
- psychology of colours.

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions and contingencies. The following conditions must be met for this unit:

- use of suitable facilities, equipment and resources, including:
 - design briefs
 - physical materials and samples for boards.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
