MSFID4017 Research and recommend furniture and accessories

Release: 1

MSFID4017 Research and recommend furniture and accessories

Modification History

Release 1. Supersedes and is equivalent to MSFID4004 Research and recommend furniture and accessories.

Application

This unit describes the skills and knowledge required to determine decoration requirements, research product options and make recommendations for loose furniture and accessories.

This unit applies to individuals providing advice in a retail, consulting or design studio environment. They analyse and compare product information from a wide range of sources to develop a design solution.

No licensing or certification requirements exist at the time of publication. Relevant legislation, industry standards and codes of practice within Australia must be applied.

Pre-requisite Unit

N/A

Unit Sector

Interior Decoration and Design

Elements and Performance Criteria

Elements	Performance Criteria
<i>Elements describe the essential outcomes.</i>	<i>Performance criteria describe the performance needed to demonstrate achievement of the element.</i>
1. Determine project requirements	1.1 Evaluate project specifications, parameters and constraints, and confirm with client 1.2 Identify and assess aspects of the space that impact on potential solutions 1.3 Identify key project stakeholders and establish required communication protocols
2. Research furniture and accessories options	2.1 Source and assess style options that match the brief 2.2 Analyse and review intended use against functional features of different products 2.3 Consider and investigate new technologies for manufacturing and maintaining furniture and accessories

Elements	Performance Criteria
<i>Elements describe the essential outcomes.</i>	<i>Performance criteria describe the performance needed to demonstrate achievement of the element.</i>
	2.4 Consider and investigate relevant anthropometrics, ergonomics and spatial relationships 2.5 Analyse and evaluate product properties for their suitability and sustainability 2.6 Source and compare information about costs and availability against the project brief
3. Refine ideas and select preferred solution	3.1 Explore, integrate and refine different options through a process of reflection and testing 3.2 Choose a preferred solution based on research findings and the key objectives of the project brief 3.3 Prepare a visual representation that communicates the key aspects of the preferred solution
4. Make recommendations to client	4.1 Present recommendations in a format and level of detail suited to the client and scope of the project 4.2 Clearly articulate rationale for the chosen solution and present to the client 4.3 Provide cost estimates associated with purchasing and obtaining the furniture and accessories to the client 4.4 Seek client feedback on the proposed solution 4.5 Base adjustments made to the final design solution on feedback

Foundation Skills

The Foundation Skills describe those required skills (such as, language, literacy, numeracy and employment skills) that are essential to performance:

- technology skills to research product options and present recommendations using digital media.

Other foundation skills essential to performance are explicit in the performance criteria of this unit of competency.

Unit Mapping Information

Supersedes and is equivalent to MSFID4004 Research and recommend furniture and accessories.
