Assessment Requirements for MSFPF2014 Assemble basic artwork packages

Release: 1

Assessment Requirements for MSFPF2014 Assemble basic artwork packages

Modification History

Release 1. Supersedes and is equivalent to MSFPF2007 Assemble a basic artwork package.

Performance Evidence

There must be evidence the candidate has completed the tasks outlined in the elements and performance criteria of this unit, and:

- assembled 3 artwork packages to the required job specification, with at least 1 to be a matted artwork.
-

Knowledge Evidence

There must be evidence the candidate has knowledge of:

- work flow process for the assembly of artwork packages
- safety considerations and requirements when assembling artworks, including personal protective equipment
- features and functions of the components of an artwork package and how they are assembled and/or constructed:
 - artwork
 - backing
 - fittings and attachments (including hanging attachments)
 - frame
 - glass and/or acrylic
 - mat board
 - mount
- mathematical procedures for estimation and measurement
- functions, features and safe use of tools and equipment used to assemble artwork packages:
 - air blower
 - screwdrivers
 - staple guns
 - staple lifter
- features, uses and limitations of materials used to assemble artwork packages:
 - adhesives
 - cardboard
 - cleaning agents

- composites
- laminates
- metal/alloys
- nails
- paper
- tacks
- tapes
- timber
- techniques for assembling artwork packages, the types of problems that can occur and how to respond
- documentation requirements for identifying and recording work.
-

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions and contingencies. The following conditions must be met for this unit:

- use of suitable facilities, equipment and resources, including:
 - workspace equipped with:
 - assembly tools, equipment and consumables to complete tasks in the Performance Evidence
 - personal protective equipment
 - work orders
 - components of artwork packages for assembly.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
