MSFSS00018 Piano Repair and Maintenance

Release 1

MSFSS00018 Piano Repair and Maintenance

Modification History

Release 1. New skill set.

Description

This skill set addresses the skills and knowledge required to undertake basic repairs and maintenance on acoustic pianos.

Pathways Information

These units provide credit towards the Certificate IV in Piano Tuning in the MSF Furnishing Training Package.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply directly to this Skill Set at the time of publication.

Skill Set Requirements

MSFPT4000	Select and use materials for piano repair and manufacture
MSFPT4001	Provide advice to customers on piano tuning and repair
MSFPT4002	Research and apply information about piano technology
MSFPT4003	Repair piano actions, keys and pedals
MSFPT4004	Regulate actions, keys and pedals of upright pianos

Target Group

This skill set is suitable for people requiring professional skills in undertaking basic repairs and maintenance on home, studio or performance pianos. It is suitable for learners who understand the role of harmony and dynamics in music, usually achieved through instrumental and music theory learning.

Suggested words for Statement of Attainment

These competencies from the MSF Furnishing Training Package meet industry requirements for basic piano tuning skills.
