Assessment Requirements for MSFUP3020 Fit and apply leather to furniture

Release: 1

Assessment Requirements for MSFUP3020 Fit and apply leather to furniture

Modification History

Release 1. Changes to code, application, elements, performance criteria, assessment requirements. Foundation skills added. Range of conditions removed. Assessment requirements changed.

Performance Evidence

There must be evidence the candidate has completed all the tasks outlined in the elements and performance criteria of this unit, and demonstrated the ability to:

- fit and apply pre-cut leather pieces, including pleats, to at least one furniture item.
-

Knowledge Evidence

There must be evidence the candidate has knowledge of:

- work requirements including workplace standards for fitting and applying leather to furniture
- workflows for applying leather to furniture
- leather types and their characteristics, common faults and inspection procedures, including:
 - natural markings
 - finished and unfinished sides
 - high and low wear
 - direction of markings
 - flaws and blemishes
 - colour variation between hides
 - flexibility
- workplace and industry standards for quality and fit of finished product
- tools and equipment typically used to fit and apply leather to furniture, including:
 - scissors
 - single or multi-needle flatbed sewing machines
 - heat guns
 - hammers
 - staple guns
 - skiving machines and hand sewing needles
- materials typically used to fit and apply leather to furniture, including:
 - glues

- staples
- buttons
- tacks
- piping
- cords
- banding
- hidden binding and pleats
- work health and safety requirements, including personal protective equipment (PPE) and manual handling procedures.
-

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions and contingencies. The following conditions must be met for this unit:

- use of suitable facilities, equipment and resources, including:
 - work orders
 - leather panels, trims, furniture frames and foundations required for performance evidence
 - PPE
 - workplace procedures, manufacturing specifications, codes, standards, manuals, and reference materials.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
