Assessment Requirements for MSMRV371 Install recreational vehicle furniture

Release: 1

Assessment Requirements for MSMRV371 Install recreational vehicle furniture

Modification History

Release 1. Supersedes and is equivalent to MSMRV311 Fit furniture in a recreational vehicle. Changes to application, elements, performance criteria and assessment requirements. Range of conditions removed.

Performance Evidence

There must be evidence that the candidate has completed the tasks set out in the elements and performance criteria and has demonstrated the ability to install at least three different types of furniture in recreational vehicles.

Knowledge Evidence

There must be evidence the candidate knows:

- requirements relevant to the performance criteria of:
 - AS/NZS 5601.2 Gas installations LP Gas installations in caravans and boats for non-propulsive purposes
 - AS/NZS 3001 Electrical installations - Transportable structures and vehicles including their site supplies
 - the Road Vehicle Standards Act 2018
 - Australian design rules
- types of recreational vehicle furniture and fasteners and manufacturer's installation and use instructions for them
- which safety, lifting, fastening and other hand and power tools and equipment to use when installing recreational vehicle furniture
- workplace policies and procedures relevant to their job role and responsibilities including for:
 - installing recreational vehicle furniture
 - communication and reporting
 - environmental protection and sustainability, including adhesives, dust, noise and waste
 - quality assurance
 - work health and safety, including personal protective equipment
 - work planning
- hazards that might arise in the work environment and their controls
- the most common issues that can arise when installing recreational vehicle furniture and how to avoid and respond to them
- how to identify if recreational vehicle furniture has been installed correctly.

Assessment Conditions

Skills must have been demonstrated in the workplace or a simulated environment that reflects workplace conditions and contingencies. The following conditions must be met for this unit:

- use of suitable facilities, equipment and resources required to install recreational vehicle furniture including:
 - recreational vehicle chassis manufactured to the point of requiring the installation of furniture
 - materials and items required for the tasks
 - safety, lifting, fastening and other hand and power tools and equipment
 - job instructions and workplace procedures.

Assessors of this unit must satisfy the NVR/AQTF mandatory competency requirements for assessors.
