Assessment Requirements for MSMRV377 Install recreational vehicle external items

Release: 1

Assessment Requirements for MSMRV377 Install recreational vehicle external items

Modification History

Release 1. Supersedes and is equivalent to MSMRV321 Fit required external items to a recreational vehicle. Changes to application, elements, performance criteria and assessment requirements. Range of conditions removed.

Performance Evidence

There must be evidence that the candidate has completed the tasks set out in the elements and performance criteria and has demonstrated the ability to install all required external items in a recreational vehicle on at least three occasions.

Knowledge Evidence

There must be evidence the candidate knows:

- requirements relevant to the performance criteria of:
 - *AS/NZS 5601.2 Gas installations LP Gas installations in caravans and boats for non-propulsive purposes*
 - *AS/NZS 3001 Electrical installations - Transportable structures and vehicles including their site supplies*
 - the *Road Vehicle Standards Act 2018*
 - Australian design rules
- types of recreational vehicle external items, seals, mouldings, fasteners, brackets and adhesives and manufacturer's installation and use instructions for them
- which hand and power tools and equipment to use when installing recreational vehicle external items
- workplace policies and procedures relevant to their job role and responsibilities including for:
 - installing recreational vehicle external items
 - communication and reporting
 - environmental protection and sustainability, including adhesives, dust, noise and waste
 - quality assurance
 - work health and safety, including personal protective equipment
 - work planning
- hazards that might arise in the work environment and their controls
- the most common issues that can arise when installing recreational vehicle external items and how to avoid and respond to them
- how to identify if recreational vehicle external items are installed correctly.
-

Assessment Conditions

Skills must have been demonstrated in the workplace or a simulated environment that reflects workplace conditions and contingencies. The following conditions must be met for this unit:

- use of suitable facilities, equipment and resources required to install recreational vehicle external items including:
 - recreational vehicles manufactured to the point of having external items installed
 - materials and items required for the tasks
 - hand and power tools and lifting, safety and other equipment
 - job instructions and workplace procedures.

Assessors of this unit must satisfy the NVR/AQTF mandatory competency requirements for assessors.
